Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450
Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached Form PTO/SB/08 A & B (modified) and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

The Office now waives the requirement under 37 CFR 1.98 (a)(2)(i) for submitting a copy of each cited U.S. patent for all patent applications filed after June 30, 2003, therefore, the undersigned attorney is enclosing **only** the five cited EP references for the Examiner's consideration.

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after filing a request for continued examination (RCE) under §1.114, and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

INFORMATION DISCLOSURE STATEMENT

In compliance with the concise explanation requirement under 37 CFR §1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of a counterpart European Search Report citing four (4) such documents, together with an English-language version of that portion of the Search Report indicating the degree of relevance found by the European Patent Office. Also, concise explanations of relevance can be found in Applicant's specification for those three (3) European patents which are not cited in the European Search Report, and which are identified in the specification by their respective European application numbers.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
